

Alliances in Marketing

Alliances in Marketing is designed to give Haskayne students the skills, networking opportunities, and relevant experience they need to be successful in a marketing environment while creating a positive community for them to thrive. This year AIM will be hosting our annual Kick-off event, which is aimed to expose first-year students to marketing academia and careers. Further, we will be providing online skills workshops to help students learn the necessary skills both for the classroom and their future careers. AIM is currently seeking new directors for our organization, this is a great opportunity for first-year students to get involved and form a community within Haskayne.

Hunter Centre

The Hunter Centre is focused on supporting Haskayne students to develop thought leadership in entrepreneurship and innovation. In addition to hosting many exciting speakers and the RBC Fast Pitch Competition, the Hunter Centre helps students connect into the broader innovation ecosystem and help students network with the business community. Also, if you need support for a business idea, we can point you in the right direction. Join the [mailing list](#) to find out more about future events and opportunities!

Enactus

Enactus Calgary is the University of Calgary chapter of Enactus. Enactus Calgary's programs foster entrepreneurial development, economic and environmental sustainability, and youth empowerment through financial literacy education in Calgary and surrounding communities. This year, our programs are specifically focused on building essential financial literacy and employment skills in Aboriginal youth, helping female newcomers establish their own small businesses, assisting entrepreneurs with autism in starting their own businesses, teaching financial literacy concepts to students with disabilities, and providing consulting services for non-for-profit organizations and social enterprises.

Haskayne Wellness Society

The Haskayne Wellness Society (HWS) is a new Haskayne club that is in the process of establishing itself as a pillar of strength and support for all students at the University of Calgary with a particular focus on the needs of Haskayne students. It is our hope to start conversations and help to diminish the stigma surrounding conversations about mental health and general wellbeing in both the university and workplace environments through workshops, events, and networking opportunities. In addition, we are here to lend an ear to students and direct them to the appropriate avenues to seek further guidance and aid.

Business Pride Club

The Business Pride Club (BPC) is a club for LGBTQ2+ identifying individuals and allies from all faculties; we connect members with business professionals through various networking and social events. Diversity is a critical factor in recruitment and corporate culture, which directly influences mental wellbeing. We are unique as our events provide safe spaces to facilitate healthy discussions to foster inclusive and supportive work environments for members. Our community allows members to tear down barriers and flourish both in academic and professional settings.

Business Technology Club

The Haskayne Business Technology Club enhances the learning experience of undergraduate students through real-life assignments that utilize information technology to solve business problems, and through the facilitation of meaningful events. Our goal is to bridge the gap that exists between business and technology by providing opportunities for students to acquire unique skills and experiences. Through the Business Technology Club's facilitation, students will be able to meet like-minded peers and industry professionals in the fields of business technology and data analytics.

Haskayne Consulting Club

Problem solving, critical thinking, business strategy. If any of these topics interest you, the Haskayne Consulting Club is where you belong! The Haskayne Consulting Club, or HCC, offers students the opportunity to enhance their business knowledge while helping real businesses solve real problems through internships and projects! On top of this, HCC offers workshops, webinars, networking events, and even peer assistance to its members to help them improve their business skills and find full-time jobs after university!

Women in Business

Women in Business (WIB) is a student-run club within the Haskayne School of Business. We empower emerging female (and male) leaders pursuing careers in business and strive to break barriers by bringing awareness to gender issues in the workplace. Our team works with industry leaders and entrepreneurs to create opportunities for all and helps to build the skill set and confidence of the upcoming generation of business leaders who are dedicated to generating positive change.

Haskayne Students' Association

The Haskayne Students' Association (HSA) is a student operated governing body within the Haskayne School of Business. Working with both students and faculty, the HSA strives to ensure a positive experience for all Haskayne students. The HSA's goal is to create a sense of community and to represent the student body in its university related interests with an emphasis on honest and transparent representation. It also provides opportunities for students, organizes orientation week programs, and streamlines event marketing.
