

DEVANSHI PATEL
Candidate for HSA President
HSA Elections 2023 – 2024

Dear Haskayne Student Association Members,

I am thrilled to announce my candidacy for the position of Haskayne Student Association (HSA) President. As a passionate member of this community, I am committed to representing your interests and working tirelessly to create a strong and vibrant Haskayne. My platform will focus on three key areas: student engagement and empowerment, academic support, and collaboration. These areas are essential to ensure that all of us can succeed both academically and professionally.

To achieve these goals, I will prioritize promoting student engagement by creating a sense of community within the Haskayne School of Business. This will involve enhancing communication channels, promoting transparency, and providing more opportunities for students to connect with one another and engage with faculty and staff. For instance, I will introduce feedback systems to solicit input from students and gather their suggestions on ways to improve student life.

In addition to promoting student engagement, I am committed to providing robust academic support to our students. To achieve this, I will collaborate with academic advisors, faculty members, and students to create innovative and engaging learning opportunities. I will also work towards providing access to mentorship programs, career development workshops, and tutoring services to ensure that all students have the resources they need to excel academically.

Finally, I believe that collaboration is a key ingredient for success in any community. As such, I will work tirelessly to foster collaboration among all members of the Haskayne community. I will collaborate with other student organizations to organize joint events, provide networking opportunities, and promote cross-disciplinary learning. By doing so, we can create a more dynamic and supportive Haskayne community.

As an undergraduate student pursuing a degree in business administration, I have developed strong communication, organizational, and interpersonal skills through my academic and professional experiences I am confident that these skills, combined with my passion for student advocacy, make me the best candidate for this role.

In conclusion, I am excited to serve as your HSA President and work alongside all of you to create a vibrant and supportive Haskayne community. I hope to earn your vote by demonstrating my commitment to promoting student engagement, providing academic support, and fostering collaboration among all members of the Haskayne community.
